

Week JUNE 5-9, 2023

A reminder to grades eleven and twelve students and their parents to check the [Career Centre Website Calendar](#) often for date-specific information and Like and Follow [Ms. Millar's Career Centre Facebook Page](#) to receive notifications. See Post-Secondary Websites for the latest information and updates. There are many online/in-person information sessions for grades 10-12 students and their parents. See the post-secondary websites for details and watch for deadlines! Apply early to colleges and to universities by the deadlines. Most BC institutions use [EducationPlannerBC](#) (unless the post-secondary requires you to apply directly on their website e.g., BCIT). If so, you will be directed to make an [EducationPlannerBC](#) account, select the post-secondary you wish to apply to, complete the application, and pay the post-secondary application fee to submit your application. Sign back in to add more institutions. \*After you apply, check post-secondary and email accounts often for communication, instructions, and deadlines! Remember to complete the [BC Ministry of Education Student Transcript Services Form](#) and also self-report marks if required, so the institutions can access your marks/graduation. Questions - contact the institution.
