Thank you to staff and students for a great start to the school year! Our counselling department has been working to process change request forms and we anticipate that changes to student schedules will be completed by early next week. As most student schedules are now set, we trust students are settling in to their classes and working hard to ensure a strong start.

McRoberts Week at a Glance

## EVENTS, ACTIVITIES AND INFORMATION

### Collaboration Days – September 19 & 20

Our first two collaboration days are this Monday and Tuesday. **Classes start at 9:45 am.** Our staff will work with colleagues to further professional development in a variety of areas such as assessment, curriculum projects and implementation, and technology.

### Blue Medical Form/Use of Personal Information Form

This is a reminder to return your blue medical form and use of personal information form to the school office if you haven't done so already. Please ensure that forms have the correct contact information, email and phone information, home address, personal information and medical details. If your forms have been misplaced, please go to the Office to request replacement forms.

### Fruit-Vegetable Delivery Starts September 21

Students and staff at the school will be provided with fresh fruit or vegetables roughly every two weeks. If your son/daughter has an allergy please contact Mr. Whittingham at the school. We encourage all students to eat a balanced diet and participate in the program.

### Grade 12 Post Secondary Session – September 22

Counsellors will be hosting an information session for all grade 12 students in the Library at 3:15 PM. The session will have information about post secondary options, program requirements, scholarships and other key information.

### Grade 12 Parent Night – September 22

All grade 12 parents are invited to join our counsellors in the Library at 6:00 PM for an information session about post secondary options, program requirements, scholarships and grad activities. More information about the Dry After Grad (DAG) event organized by grade 12 parents will be presented.

### Meet The Teacher Night – September 22

Please join us at the school for an opportunity to meet the teachers. The evening will begin in the New Gym at 6:45 PM with a brief welcome and overview of the evening. Parents will then follow your child's class schedule. This will be an opportunity to experience your child's daily schedule and to meet the teachers and to learn about the curriculum, evaluation, homework expectations and classroom routines for each class.
