Timetable Review & Surveys

During the Covid pandemic, secondary schools in Richmond adapted their timetable structure so that all schools were semester. This year, we will be engaging in a consultative process with students, parents and teachers to determine the organizational structure for 2023-2024 and beyond.

We will be surveying staff, students and parents in order to gather feedback and hear all perspectives before making a decision.

Our student survey will take place this week on Thursday. Parents will receive an email with a link for the parent survey this Thursday evening. More information will be provided at that time.

Thank you in advance for participating!
