## **Words of Wisdom**

- **After twelve years in the making, you are finally approaching graduation. Grade 12 can be a complex and stressful year, more so if you are not informed and organized. Being aware of information and having a plan is the key to having a successful year and a smoother transition out of secondary school.**
- **Following graduation, you may choose to do a number of different things: work, travel, up-grade, relax or attend a post-secondary school of your choosing.**
- **The information contained in this presentation will provide you with much of the key information regarding graduation and post-secondary options with the intent of helping you have a productive grade 12 year and a smooth transition to post-secondary.**
- **The responsibility to be informed is yours. Get help as often as you need.**

➤ Course Selection Sheets due: Friday, March 3 at 9 AM

# Summer School Considerations

## ➤ Full Credit Summer School Considerations

- Students can choose to attempt up to 2 full academic courses (worth 4 credits each) over the summer.
- Please consult the Richmond Virtual School or Richmond Continuing Education websites for more information about available courses. Registration will open in Semester 2.
- Please be aware that French Immersion students will not complete their FI graduation requirements by completing Socials, Science, or Career Life Education courses during the summer, because the language of instruction is English.
- If you plan to register for summer school courses, please indicate this in the bottom right hand box on your program planning sheet “Programming Notes” and then select the next level course on the main part of your sheet i.e. if you are planning to take physics 11 over the summer you will select a physics 12 course or another elective for next year.

## Specific Things to consider for G12s...

### ➤ Career Preparation/Work Experience Course

Career Prep 12 (Health Sciences, Physical and Health Education, Art, Human Services, Theatre), is a 4 credit asynchronous course (running outside the timetable) that allows you to volunteer in a placement in the field of your choosing (in consultation with your supervising teacher). In the past, for CP Health Sciences 12, we have had students volunteer in areas such as physiotherapy, pharmacy, optometry, veterinary medicine, and many more.

# *READY SET GRADUATE*

## Specific Things to consider for G12s...

- Study Blocks: often G12s may elect to take one study block. Please keep in mind that in order to be considered a full-time student at McRoberts, you are only permitted to have two non-enrolling classes in your schedule. Students who are not full time are not eligible for school-based scholarships.

# *READY SET GRADUATE*

## Specific things to consider for G11s...

➤ Post-secondary options: this is often one of the biggest considerations for G11 students and requires significant research, planning and a growing awareness of available options enhanced by your participation and learning in your Career Life Education course.

# READY SET GRADUATE

## Important questions related to post-secondary planning:

- What are my strengths & weaknesses, likes & dislikes?
  - How do I build awareness of career and post-secondary opportunities?
  - What post-secondary programs will allow me to pursue my potential career(s) of choice?
  - What are the post-secondary pre-requisites? (grade 11 & 12 courses)  
examples: do I need a 2<sup>nd</sup> language? what math level do I need? which science(s) do I need? how many academic grade 12 courses are required? do I need to incorporate full credit summer school into my plan?
  - What if I don't know where to start? How do I cover my bases to ensure I don't eliminate future opportunities?
- Here's where we can direct you towards 3 main school-based resources.

# READY SET GRADUATE

## 1 - MyBlueprint

- MyBlueprint is an online education and career planning platform that is freely available to all grade 8- 12 Richmond School District students. The purpose of MyBlueprint is to support students in thinking and planning for their futures to help guide them to increased success in schools.
- Students can take learning style, personality, interest, knowledge and motivation assessments to learn more about themselves as well as to guide them to different career and education opportunities.
- Students can plan their high school courses and investigate post-secondary career, job and volunteer opportunities. They also can create/plan budgets, build career portfolios and resumes.
- Students have a username and password which allows them to log on to MyBlueprint. If they have trouble logging on, they should consult with Mr. Malchy (Portable 3). If you do not have a MyBlueprint account please refer to instructions about how to open one on the program planning page on the McRoberts website: students>program planning. All grade 10-12 students are encouraged to access MyBlueprint in order to assist with their future program planning decisions.

## 2 – Career and Post-Secondary Advisor – Ms. D. Millar

We are so fortunate to have our own specialist career and post-secondary advisor here at McRoberts. Ms. Millar is based in the counselling centre of McRoberts school and is available on Tuesdays, Thursdays and alternating Fridays to meet with students. You can email her at [dmillar@sd38.bc.ca](mailto:dmillar@sd38.bc.ca) to make an appointment or come by the counselling centre and fill out an appointment request form.

It helps Ms. Millar to prepare for meetings if questions can be communicated to her in advance of your meeting.

Ms. Millar also has a careers website and Facebook page which are regularly updated with post-secondary information and career options. These can either be found by looking on the McRoberts website under the students' menu for Career Centre or by following this link

<https://portal.sd38.bc.ca/group/2jdxzsf/Pages/default.aspx#/=>.

We also strongly recommend that you access and follow Ms. Millar's Facebook page through this website.

# READY SET GRADUATE

## 3 – School Counsellors

Once you have started your research and have some ideas about your post-secondary interests your school counsellor can help solidify your plan for a) graduation and b) meeting requirements for post-secondary applications.

The school counsellors are based in the counselling centre and service the following students according to where their family falls in the alphabet:

Mr. Howlett	(A-He)	<a href="mailto:khowlett@sd38.bc.ca">khowlett@sd38.bc.ca</a>
Ms. Jones	(Hi-Q)	<a href="mailto:anjones@sd38.bc.ca">anjones@sd38.bc.ca</a>
Ms. Sundell	(R-Z)	<a href="mailto:ssundell@sd38.bc.ca">ssundell@sd38.bc.ca</a>

Careers and Post-Secondary Counsellor:

Diane Millar: [dmillar@sd38.bc.ca](mailto:dmillar@sd38.bc.ca)

Please contact them via email to make appointments.

## 4 – Consultation with Post Secondaries Directly

A majority of your research will be spent exploring post-secondary institutions online.

- Find out where you can pursue further studies/training in your chosen area. (*University? College? Private Institute? Local? Provincial? National? International?*)
  - [myBlueprint.ca/sd38](http://myBlueprint.ca/sd38)
  - [Educationplannerbc.ca](http://Educationplannerbc.ca)
- Consider more than 1 institution. Go to each institution's website for the most up-to-date information.
- Admission requirements are institution-specific. (*i.e. Admission to UBC Science is different from SFU Science – see above*).
- Check admission requirements for the institution AND the program of study.

# READY SET GRADUATE

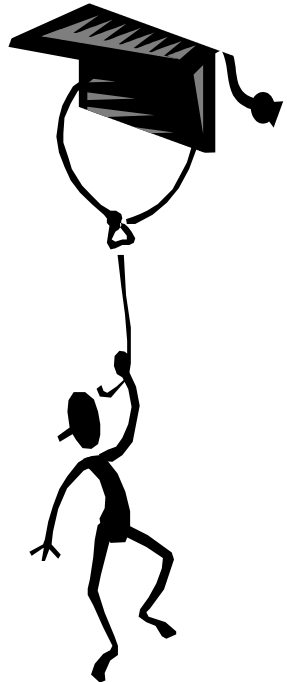

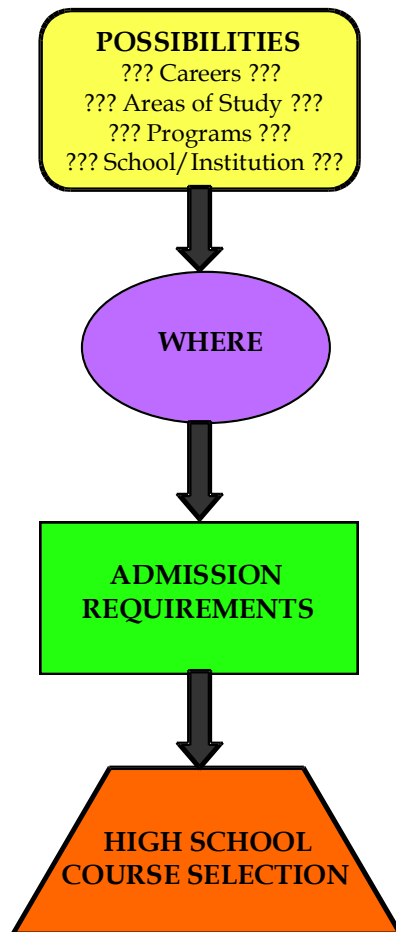

## ➤ College and University Applications

- Admission requirements for colleges and universities can vary greatly, and admission into university is often far more competitive.
- Therefore, if you are sure you want to go to university it is also worth considering applying to a college too. Many of our students apply to at least one college (sometimes with a plan to transfer to university later), alongside their university application/s, which we strongly encourage all students to do, as there is no such thing as guaranteed admission anywhere.
- For those who know they would like to go on to study at college we strongly recommend applying early (and places are given on a 'first-come-first-served' basis) to more than one institution in case places fill up quickly.

## "WORKING BACKWARDS"

Please keep in mind it's helpful when selecting courses for G12 to employ the concept of "working backwards" - for example investigating a number of potential career choices, in order to identify the post-secondary options required to pursue those careers, in order to identify the G12 courses needed to meet the admission requirements for those post-secondary programs.

Assume you will be the next ELL level up.  
(So if you are ELL1 now you will be ELL2 next year, ELL3 will be ELL4 next year etc).

Use the appropriate ELL level to identify the full set of courses on your planning sheet.

Where a subject i.e. “An English” is indicated, refer to the back of the sheet to see course options within that grade / subject.

See the reverse side of this sheet for your elective options and review the Program Planning guide on the school’s website for more detailed descriptions of each course.

## *Program Planning for ELL3 Students*

---

- If you are a current ELL3 level student this year in G11 – Upon completion of your new ELL assessment, you may qualify to take a summer adapted English 10 course. Please see your counsellor.
- You need to register as soon as registration opens so it will be helpful to see your counsellor about dates and to make sure that you get set up with a Richmond District Continuing Education Account.
- (For international students this course will have a fee.)

# *READY SET GRADUATE*

## **G12 Course Selection Summary**

- Select a course load that is manageable and ensures graduation.
- Do your research and if in doubt ask and seek help.
- Start as early as possible, as good choices often come from extensive research.
- Select a course load that will keep as many of your post-secondary options as open as possible.
- Ensure you have selected at least six enrolling classes to maintain eligibility for scholarship consideration in your G12 year.
- Review and consider your extra-curricular commitments - job, clubs, teams, etc.
- Factor in Grade 12 responsibilities – Capstone / CLC, applications for admissions, scholarships etc.

**Note:** Carefully check your course requests before closing your browser. These are the requests that will be submitted as your course requests for next year.

If you see an error, click the **Select** button again and make your corrections.

# READY SET GRADUATE

**IMPORTANT!** When all of your course selections are correct hit the **POST** button on the bottom of the window.

**Note:** Failure to **POST** your course selections will impact the course registration totals and may cause a course to be dropped due to lack of enrollment. Each time you make a change after posting, you must hit post again for the system to pick up the changes.

Please note that you can go back into this account at any time during the Course Selection timeline to make changes and re-Post your selection (course selection window closes on Friday, March 3 @ 9am.)

Please make sure that your selections in MyEd *match* the courses you selected on your Course Selection Sheet!

If you make any changes in MyEd, make sure you also make those same changes on your paper sheet.

**Suggestion:** Take a photo of your Program Planning Sheet prior to handing it in

## In Conclusion

- Submit your course selection online in your MyEd account (closes March 3rd 2023). To see instructions regarding how to make your online course selection through your MyEd account, follow this pathway on the school website: <https://mcroberts.sd38.bc.ca/students/program-planning/grade-8-11-incoming-9-12-program-planning>.
- Put completed and signed course selection sheets, in the box, outside the counselling area on Friday March 3rd, 2023. (Your online course selection should reflect **exactly** the same courses you chose on the paper course selection sheet, signed and approved by your parents.)
