- Useful Resources for Course Selection

# General Information About Graduation

What is graduation?

The B.C. Certificate of Graduation or "Dogwood Diploma" is awarded to students who successfully complete the provincial graduation requirements.

Students require a minimum of **80 credits** to graduate.

French Immersion students can earn both a British Columbia Certificate of Graduation (Dogwood Diploma) and a Diplôme de fin d'études secondaires en Colombie-Britannique.

To graduate with both diplomas, French Immersion students must meet the graduation requirements for the Dogwood Diploma and, of these **80 credits**, 28 of those must be in certain FI courses.

# General Information About Graduation

## Dogwood Certificate Graduation Program Requirements

### 1. Required 48 credits:

➤ Course Selection Sheets due: Friday March 3<sup>rd</sup>, 2023

## *Grade 12 Course Considerations*

# **Specific Things to consider as Options for your G12 year.**

- District Career Programs
  - School Based Apprenticeship Programs – Youth Train / Work in Trades
  - College/University Based Programs
  - [Careerprograms.sd38.bc.ca](https://careerprograms.sd38.bc.ca)
- Detailed information regarding the Youth Train / Work in Trades Program is on the grade specific powerpoint presentation
- Please follow this link to find out more about out Link38, a possible option for taking courses at Kwantlen in your G12 year:  
<https://careerprograms.sd38.bc.ca/programs/link38>

## *Grade 12 Course Considerations*

# Specific Things to consider for G12s...

## ➤ Career Preparation/Work Experience Course

Career Prep 12 (Health Sciences, Physical and Health Education, Art, Human Services, Theatre), is a 4 credit asynchronous course (running outside the timetable) that allows you to volunteer in a placement in the field of your choosing (in consultation with your supervising teacher). In the past, for CP Health Sciences 12, we have had students volunteer in areas such as physiotherapy, pharmacy, optometry, veterinary medicine, and many more.

## *Grade 12 Course Considerations*

### Specific Things to consider for G12s...

➤ Study Blocks: often G12s may elect to take one study block. Please keep in mind that in order to be considered a full-time student at McRoberts, you are only permitted to have two non-enrolling classes in your schedule. Students who are not full time are not eligible for school-based scholarships.

# **G12 Course Selection Summary**

- Select a course load that is manageable and ensures graduation.
- Do your research and if in doubt ask and seek help.
- Start as early as possible, as good choices often come from extensive research.
- Select a course load that will keep as many of your post-secondary options as open as possible.
- Ensure you have selected at least six enrolling classes to maintain eligibility for scholarship consideration in your G12 year.
- Review and consider your extra-curricular commitments - job, clubs, teams, etc.
- Factor in Grade 12 responsibilities – Capstone / CLC, applications for admissions, scholarships etc.

## *Cross-grade Considerations (10-12)*

# OTHER CONSIDERATIONS

- Fine Arts or Applied Skills Course
  - Students must complete 4 credits in either Fine Arts or Applied Skills in either Grade 10, 11, or 12.
- Second Language Course
  - Not needed for graduation
  - Is an entrance requirement for some post secondary options
- Elective Courses - Overall
  - Select courses for interest, ability
  - Research and investigate by reading the Program Planning Guide on the McRoberts website by following:  
students>program planning> Grade 8 –11 Program Planning  
The order you place them on your sheets indicates level of preference.
- Peer Helping and Yearbook require completed application forms which can be found in the counselling centre.

## Cross-grade Considerations (10-12)

### ➤ Full Credit Summer School Considerations

- Students can choose to attempt up to 2 full academic courses (worth 4 credits each) over the summer.
- Please consult the Richmond Virtual School ([rvs.sd38.bc.ca](http://rvs.sd38.bc.ca)) or Richmond Continuing Education ([www.RichmondCE.ca](http://www.RichmondCE.ca)) websites for more information about available courses. Registration usually begins in April.
- Please be aware that French Immersion students will not complete their FI graduation requirements by completing Socials, Science, or Career Life Education courses during the summer, because the language of instruction is English.
- If you plan to register for summer school courses please indicate this in the bottom right hand box on your program planning sheet “Programming Notes” and then select the next level course on the main part of your sheet i.e. if you are planning to take math 10 over the summer you will select a math 11 course or another elective for next year.
- International students must get permission from their counsellor prior to registering. Extra fees are required.

## *Cross-grade Considerations (10-12)*

1. Select courses that will ensure high school graduation.
2. Select a course load that will help to keep your post-secondary options open.
3. Select a course load that is manageable.
4. Review and consider your extra-curricular commitments - job, clubs, teams, etc.

For more information on all courses please see the Program Planning Guide on the school website: [Students>Program Planning>Grade 8 –11 Program Planning](#)

Assume you will be the next ELL level up. (So if you are ELL1 now you will be ELL2 next year, ELL3 will be ELL4 next year etc).

Use the appropriate ELL level to identify the full set of courses on your planning sheet.

Where a subject i.e. "An English" is indicated, refer to the back of the sheet to see course options within that grade / subject.

See the reverse side of this sheet for your elective options and review the Program Planning guide on the school's website for more detailed descriptions of each course.

## Program Planning Sheets

- If you are a current ELL3 level student this year in G10 – upon completion of your new ELL assessment, you may qualify to take a summer adapted English 10 course. Please see your counsellor and indicate this on your course planning sheet.
- You need to register as soon as registration opens so it will be helpful to see your counsellor about dates and to make sure that you get set up with a Richmond District Continuing Education Account.
- (For international students this course will have a fee.)

Application Forms Available for Pick Up in the  
Counselling Centre

Check course options and prerequisites on the back of your course planning sheet. Some courses are based on level i.e. Drafting L1/2/3. Choose the appropriate level based on your previous courses regardless of the grade column that it's located in. Full course descriptions are available in the program planning guide located on the school website: students>program planning>Grade 8-11 Program Planning

Where you see an ‘\*’ please note that an application is required for these courses. These are available in the counselling centre.

## *Post-Secondary Considerations*

### Specific things to consider ...

➤ Post secondary options: this is often one of the biggest considerations for senior students and requires significant research, planning and a growing awareness of available options enhanced by your participation and learning in your Career Life Education course.

## Post-Secondary Considerations

# "WORKING BACKWARDS"

Please keep in mind it's helpful when selecting courses for G12 to employ the concept of "working backwards" - for example investigating a number of potential career choices, in order to identify the post-secondary options required to pursue those careers, in order to identify the G12 courses needed to meet the admission requirements for those post-secondary programs.

## *Post-Secondary Considerations*

### Important questions related to post-secondary planning:

- What are my strengths & weaknesses, likes & dislikes?
  - How do I build awareness of career and post-secondary opportunities?
  - What post-secondary programs will allow me to pursue my potential career(s) of choice?
  - What are the post-secondary pre-requisites? (grade 11 & 12 courses)  
examples: do I need a 2<sup>nd</sup> language? what math level do I need? which science(s) do I need? how many academic grade 12 courses are required? do I need to incorporate full credit summer school into my plan?
  - What if I don't know where to start? How do I cover my bases to ensure I don't eliminate future opportunities?
- Here's where we can direct you towards 3 main school-based resources.

# *Post-Secondary Considerations*

## 1 - MyBlueprint

MyBlueprint is an online education and career planning platform that is available to all grade 8- 12 Richmond School District students. The purpose of MyBlueprint is to support students in thinking and planning for their futures to help guide them to increased success in schools.

Students can take learning style, personality, interest, knowledge and motivation assessments to learn more about themselves as well as to guide them to different career and education opportunities.

Students can plan their high school courses and investigate post-secondary career, job and volunteer opportunities. They also can create/plan budgets, build career portfolios and resumes.

Students have a username and password which allows them to log on to MyBlueprint. If they have trouble logging on, they should consult with Mr. Malchy or your counsellor. If you do not have a MyBlueprint account, please refer to instructions about how to open one on the program planning page on the McRoberts website: students>program planning. All grade 10-12 students are encouraged to access MyBlueprint in order to assist with their future program planning decisions.

### 2 – Career and Post-Secondary Advisor – Ms. D. Millar

We are so fortunate to have our own specialist career and post-secondary advisor here at McRoberts. Ms. Millar is based in the counselling centre of McRoberts school and is available on Tuesdays, Thursdays and alternating Fridays to meet with students. You can email her at [dmillar@sd38.bc.ca](mailto:dmillar@sd38.bc.ca) to make an appointment or come by the counselling centre and fill out an appointment request form.

It helps Ms. Millar to prepare for meetings if questions can be communicated to her in advance of your meeting.

Ms. Millar also has a careers website and Facebook page which are regularly updated with post-secondary information and career options. These can either be found by looking on the McRoberts website under the students' menu for Career Centre or by following this link

<https://portal.sd38.bc.ca/group/2jdxzsf/Pages/default.aspx#/=>.

We also strongly recommend that you access and follow Ms. Millar's Facebook page through this website.

## 3 – School Counsellors

Once you have started your research and have some ideas about your post-secondary interests your school counsellor can help solidify your plan for a) graduation and b) meeting requirements for post-secondary applications.

The school counsellors are based in the counselling centre and service the following students according to where their family falls in the alphabet:

Mr. Howlett	(A-He)	<a href="mailto:khowlett@sd38.bc.ca">khowlett@sd38.bc.ca</a>
Ms. Jones	(Hi-Q)	<a href="mailto:anjones@sd38.bc.ca">anjones@sd38.bc.ca</a>
Ms. Sundell	(R-Z)	<a href="mailto:ssundell@sd38.bc.ca">ssundell@sd38.bc.ca</a>

Please contact them via email to make appointments.

# Post-Secondary Considerations

## 4 – Consultation with Post Secondaries Directly

A majority of your research will be spent exploring post-secondary institutions online.

- Find out where you can pursue further studies/training in your chosen area. (*University? College? Private Institute? Local? Provincial? National? International?*)
  - [myBlueprint.ca/sd38](http://myBlueprint.ca/sd38)
  - [Educationplannerbc.ca](http://Educationplannerbc.ca)
- Consider more than 1 institution. Go to each institution's website for the most up-to-date information.
- Admission requirements are institution-specific. (*i.e. Admission to UBC Science is different from SFU Science – see above*).
- Check admission requirements for the institution AND the program of study.

## In Conclusion

- Submit your course selection online in your MyEd account (closes March 3rd 2023). To see instructions regarding how to make your online course selection through your MyEd account, follow this pathway on the school website: <https://mcroberts.sd38.bc.ca/students/program-planning/grade-8-11-incoming-9-12-program-planning>.
- Put completed and signed course selection sheets, in the box, outside the counselling area on Friday March 3rd, 2023. (Your online course selection should reflect **exactly** the same courses you chose on the paper course selection sheet, signed and approved by your parents.)
