What is Dry After Grad?

Dry Grad is an all-night, parent supervised event that occurs after the Dinner/Dance at the school! The event is "dry" meaning there is no alcohol or restricted substances present and students can celebrate safely all together at the school. We have arranged for lots of fun things to do withh a secret theme to make the whole event an incredible final celebration for the kids. The event runs Monday June 26, 11:30pm to Tuesday June 27, 5:00am at McRoberts School.

How much does it cost, and what is included in the Dry After Grad Ticket?

Tickets are \$65. The cost includes secure & chaperoned bus transportation to and from the Dinner/Dance downtown, a themed overnight event at the school with immersive decorations, incredible entertainment and delicious food.

Why Dry After Grad?

Many years ago, students set up their own parties for grad, and the devastating effects of binge alcohol/drug consumption led to various tragedies. Parents have since come together to set up safe events for the kids that are fun and inclusivem to ensure grads can celebrate safely. Our Dry Grad Parent group is committed to providing an amazing event for our Grads of 2023!
