Frequently Asked Questions:

Can I make my own way downtown, and not take the bus to the Dinner Dance?
No, all students will take the chaperoned bus to and from the event.

What if I'm not planning on attending the Dry After Grad (DAG)?
Our hope is that every student participates in DAG. This is an incredible event that most of our students attend each year. However, if students are not able to attend DAG, the DAG Committee will cover the costs of the bus transportation for all students, regardless of whether they attend DAG or not. Students will be dropped off at the school after the Dinner Dance, and parents are asked to pick up any students not attending DAG at that time.
