

What you need to know as a parent about Accident Insurance

Accidents can and do happen! Each year, many families are left financially unprotected when their children are injured at school, on field trips, while participating in non-school activities, or at home. **Our School District does not provide accident insurance coverage for student injuries that occur on school property or during school activities, including extracurricular sports. If a student is injured, parent(s)/guardian(s) are responsible for any costs not covered by their Government Health Insurance Plan or their employer's health care plan.**

Most accident related expenses are not fully covered under any plans and expenses like ambulance fees, casts, crutches, physiotherapy and emergency dental care may not be covered at all. This leaves the parent/guardian financially responsible for these unexpected and usually hefty expenses. Please check with your provider regarding your coverage.

To help protect your family, it is recommended that you consider obtaining student accident insurance, which provides coverage for these types of costs. As a convenience to you, the District has made an arrangement to offer student accident insurance through Old Republic Insurance Company of Canada's insuremykids® program. Participation is voluntary but highly recommended and the costs are to be paid by the parent/guardian. Available for students up to age 26.

Coverage is provided for a wide range of accidental expenses, including:

- **Dental expenses**, includes 10 years unlimited dental benefit coverage, future dental up to \$1,650 per tooth, and injury related orthodontia coverage up to \$2,500 per accident.
- **Total and permanent disability**, up to \$350,000
- **Loss of limb/loss of sight, hearing or speech**
- **Accidental death**
- **Ambulance fees**
- **And more!**
