"Learning Together... Achieving Our Dreams"

January 2024

## Mathematics 8/9 for the 2024-2025 School Year

Dear Parents/Guardians:

In order to apply for the above course, all students must write an entrance exam at Hugh McRoberts Secondary on **Wednesday, March 6 at 3:30 pm**. In preparation for the exam, students need to:

➤ Go to the QR code below and fill in the form.

**Completed forms must be submitted by Tuesday, February 27**, well in advance of March 6th so that we know how many applicants to expect on the exam day. It is imperative that all applicants write the exam to meet eligibility requirements for the course. Following the exam date, the course will be deemed full.

➤ Bring a few pencils, but no calculator on the day of the exam. **Students can be picked up at 5 pm.**

Please note that no studying is required for the test. The class will be chosen from the results of the entrance exam as well as the teacher recommendations.

Thank you,

Mr. G. Chan (Mathematics Educational Facilitator)
