## Specific things to consider for G11s...

- Post-secondary options: this is often one of the biggest considerations for G11 students and requires significant research, planning and a growing awareness of available options enhanced by your participation and learning in your Career Life Education course.

# READY SET GRADUATE

## Important questions related to post-secondary planning:

- What are my strengths & weaknesses, likes & dislikes?
- How do I build awareness of career and post-secondary opportunities?
- What post-secondary programs will allow me to pursue my potential career(s) of choice?
- What are the post-secondary pre-requisites? (grade 11 & 12 courses)  
examples: do I need a 2<sup>nd</sup> language? what math level do I need? which science(s) do I need? how many academic grade 12 courses are required? do I need to incorporate full credit summer school into my plan?
- What if I don't know where to start? How do I cover my bases to ensure I don't eliminate future opportunities?
- Here's where we can direct you towards 3 main school-based resources.

# READY SET GRADUATE

## 1 - MyBlueprint

MyBlueprint is an online education and career planning platform that is available to all grade 8- 12 Richmond School District students. The purpose of MyBlueprint is to support students in thinking and planning for their futures to help guide them to increased success in schools.

Students can take learning style, personality, interest, knowledge and motivation assessments to learn more about themselves as well as to guide them to different career and education opportunities.

Students can plan their high school courses and investigate post-secondary career, job and volunteer opportunities. They also can create/plan budgets, build career portfolios and resumes.

Students have a username and password which allows them to log on to MyBlueprint. If they have trouble logging on, they should consult with Mr.Malchy (Portable 5). If you do not have a MyBlueprint account, please refer to instructions about how to open one on the program planning page on the McRoberts website: students>program planning. All grade 10-12 students are encouraged to access MyBlueprint in order to assist with their future program planning decisions.

## 2 – Career and Post-Secondary Advisor – Ms. E. Tang

We are so fortunate to have our own specialist career and post-secondary advisor here at McRoberts. Ms. E. Tang is based in the counselling centre of McRoberts school and is available on Tuesdays, Thursdays and alternating Fridays to meet with students. You can email her at [etang@sd38.bc.ca](mailto:etang@sd38.bc.ca) to make an appointment or drop by her office (across from the Snack Shack) to sign up for an appointment.

It helps Ms. Tang to prepare for meetings if questions can be communicated to her in advance of your meeting.

Ms. Tang also has a careers website which is regularly updated with post-secondary information and career options. These can either be found by looking on the McRoberts website under the students' menu for Career Centre or by following this link <https://portal.sd38.bc.ca/group/2jdxzsf/Pages/default.aspx#/=>.
