

## Hugh McRoberts Secondary School School Scholarship Program

### APPLICATION FOR NOMINATION – UNIVERSITY OF TORONTO BOOK AWARD

The University of Toronto National Book Award Program recognizes and rewards the very best Canadian secondary school students, regardless of which university those students choose to attend. These are students who demonstrate superior academic performance, original and creative thought, and exceptional achievement in a broad context. They excel in academic pursuits, demonstrate enthusiasm for intellectual exploration and have a strong involvement in the lives of their schools and communities. It is not necessary that the student intend to apply for admission to the University of Toronto. **Award recipients receive a National Book Award recognizing their achievements, and as a symbol of their academic potential. It is a non-monetary award.** The book will be presented to the student at their secondary school graduation ceremony at the end of the school year. Students nominated for this award are invited to submit an application to the National Scholarship Program.

The University of Toronto Book Award is for: students who demonstrate superior academic performance, original and creative thought, and exceptional achievement in a broad context; students who excel in academic pursuits, demonstrate enthusiasm for intellectual exploration and have a strong involvement in the lives of their schools and communities.
