5. Ensure you have selected at least six enrolling classes to maintain eligibility for scholarship consideration in your G12 year.
6. Review and consider your extra-curricular commitments (job, clubs, teams, etc).

- Assume you will be the next ELL level up.
(Level 1 → Level 2 → Level 3 → Level 4)
- Use the appropriate ELL level to identify the full set of courses on your planning sheet.
- Where a subject i.e. "Select a Science" is indicated, refer to the back of the sheet to see course options within that grade / subject.
- See the reverse side of this sheet for your elective options and review the Program Planning guide on the school's website for more detailed descriptions of each course.

English 10 Adapted – Summer Offering

- Who is this for? Current ELL 3 level students grade 10 age and above.
- Upon promotion of your ELL assessment to Level 4, you may qualify to take a summer adapted English 10 course.
- See your counsellor and indicate this on your course planning sheet.
- You need to register as soon as it opens as spaces fill up quickly.
- See your counsellor for dates and to ensure you set up a Richmond District Continuing Education (RCE) Account.
- Note: International students, this course will have a fee.

POST SECONDARY CONSIDERATIONS

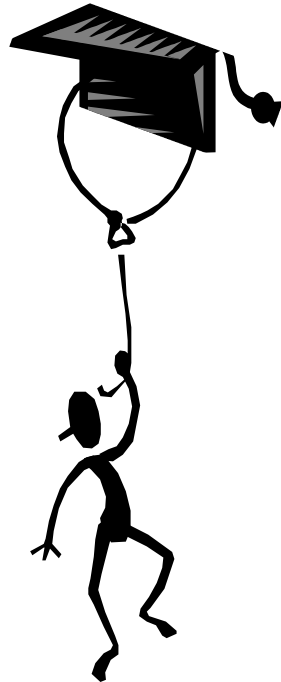

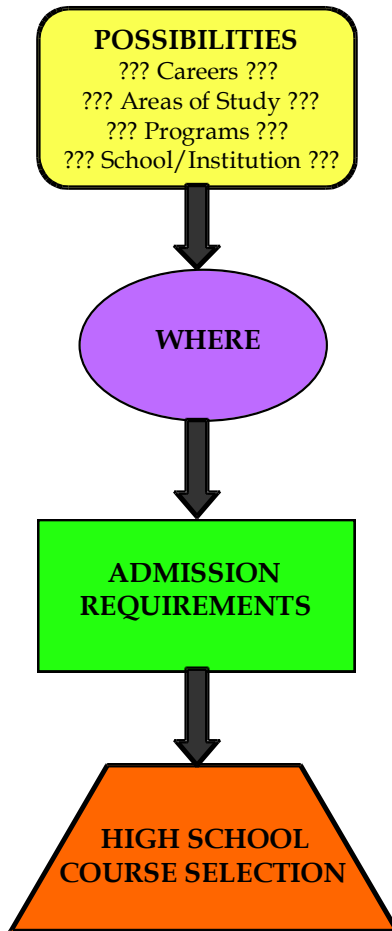

Post secondary options:

- Often one of the biggest considerations for senior grade 11-12 students.
- Requires significant research, planning and a growing awareness of available options.
- This is supported by your participation and learning in your Career Life Education course.

POST SECONDARY CONSIDERATIONS

"WORKING BACKWARDS"

Please keep in mind it's helpful when selecting courses for G12 to employ the concept of "working backwards" - for example investigating a number of potential career choices, in order to identify the post-secondary options required to pursue those careers, in order to identify the G12 courses needed to meet the admission requirements for those post-secondary programs.

POST SECONDARY RESOURCES

Important questions for post-secondary planning:

- What are my strengths & weaknesses / likes & dislikes?
- How do I build awareness of career and post-secondary opportunities?
- What post-secondary programs will allow me to pursue my potential career(s) of choice?
- What are the post-secondary pre-requisites (grade 11 & 12 courses)?
 - E.g. Second language? Math Level? Required Sciences? Academic grade 12 course requirements?
- What if I don't know where to start? How do I ensure I don't eliminate future opportunities?

We will discuss 4 main resources.

Resource #1 – MyBlueprint

Log In Sign Up

Welcome Back

Username/Email

Or

 QR Code Login

- **MyBlueprint** is an online education and career planning platform available to all grade 8- 12 Richmond School District students.
- The purpose of MyBlueprint is to support students in thinking and planning for their futures to help guide them to increased success in schools.
- [CLICK HERE](#) to access the website.

Resource # 2 – Career & Post Secondary Advisor

We are fortunate to have our own specialist career and post-secondary advisor here at McRoberts. **Ms. E. Tang** is based in the counselling centre of McRoberts school and is available to meet with students on:

- **Monday**
- **Wednesday**
- **Alternating Fridays**

You can email her at etang@sd38.bc.ca to make an appointment or drop by her office (across from the Snack Shack) to sign up for an appointment with the schedule on her door.

It helps Ms. Tang to prepare for meetings if questions can be communicated to her in advance of your meeting.

Resource #3 – School Counsellors

Once you have started your research and have some ideas about your post-secondary interests your school counsellor can help solidify your plan for:

- a) graduation
- b) meeting requirements for post-secondary applications.

The school counsellors are based in the counselling centre and service the following students according to where their surname falls in the alphabet:

Mr. Howlett	(A-He)	khowlett@sd38.bc.ca
Ms. Murray	(Hi-Q)	cmurray@sd38.bc.ca
Ms. Zaine	(R-Z)	kzaine@sd38.bc.ca

Please [CLICK HERE](#) to make an appointment

Resource # 4 – Directly with Post Secondary schools

A majority of your research will be spent exploring post-secondary institutions online. Find out where you can pursue further studies/training in your chosen area.

(University? College? Private Institute? Local? Provincial? National? International?)

- [My Blueprint](#)
- [Education Planner BC](#)

Important Considerations:

- Inquire at **more than 1** institution. Go to each institution's website for the most up-to-date information.
- Admission requirements are institution-specific. *(i.e. Admission to UBC Science is different from SFU Science - see above).*
- Check admission requirements for the institution AND the program of study.

COURSE SELECTION – PAPER & ONLINE

Submit your course selection online through your MyEd account.

For instructions follow this pathway on the [school website](#).

Place the completed and signed (by your parent/guardian) course selection forms in the box, outside the counselling area, before **February 28th, 2025**.

*Your online course selection should reflect **exactly** the same courses you chose on the paper course selection sheet,*
