- ⑩ Please consult [Richmond Virtual School](#) (RVS) or [Richmond Continuing Education](#) (RCE) for more information.
- ⑩ RVS registration opens February 18, 2025. RCE is TBA.
- ⑩ Please be aware that French Immersion (FI) students will **not** complete their FI graduation requirements by completing Socials, Science, or Career Life Education courses during the summer, because the language of instruction is English.
- ⑩ If you plan to register for summer school courses indicate which course you will be taking in the bottom right hand box on your program planning form.
- ⑩ International students must get permission from their counsellor and Mr. Cook prior to registering. Extra fees are required.

READY SET GRADUATE

Things to consider for G11s...

- Post-secondary options: this is often one of the major considerations for G11 students and requires significant research, planning and a growing awareness of available options enhanced by your participation and learning in your Career Life Education course.

READY SET GRADUATE

Important questions related to post-secondary planning:

- What are my strengths & weaknesses, likes & dislikes?
- How do I build awareness of career and post-secondary opportunities?
- What post-secondary programs will allow me to pursue my potential career(s) of choice?
- What are the post-secondary pre-requisites? (grade 11 & 12 courses)
examples: do I need a 2nd language? what math level do I need? which science(s) do I need? how many academic grade 12 courses are required? do I need to incorporate full credit summer school into my plan?
- What if I don't know where to start? How do I cover my bases to ensure I don't eliminate future opportunities?
- Here's where we can direct you towards 3 main school-based resources.

Resource #1 – MyBlueprint

The screenshot shows the MyBlueprint login interface. At the top, there are two buttons: 'Log In' (highlighted in blue) and 'Sign Up'. Below this is a blue circular logo with a white 'm'. The text 'Welcome Back' is centered. There are two input fields: 'Username/Email' and 'Password'. A link for 'Forgot Password?' is next to the password field. A green 'Log In' button is below the fields. At the bottom, there is a grey box with the text 'Or' and a button for 'QR Code Login' with a QR icon.

- **MyBlueprint** is an online education and career planning platform available to all grade 8- 12 Richmond School District students.
- The purpose of MyBlueprint is to support students in thinking and planning for their futures to help guide them to increased success in schools.
- [CLICK HERE](#) to access the website.

Resource # 2 – Career & Post Secondary Advisor

We are fortunate to have our own specialist career and post-secondary advisor here at McRoberts. **Ms. E. Tang** is available to meet with students on:

- **Monday**
- **Wednesday**
- **Alternating Fridays**

You can email her at etang@sd38.bc.ca to make an appointment or drop by her office (across from the Snack Shack) to sign up for an appointment with the schedule on her door.

It helps Ms. Tang to prepare for meetings if questions can be communicated to her in advance of your meeting.

Resource #3 – School Counsellors

Once you have started your research and have some ideas about your post-secondary interests your school counsellor can help solidify your plan for:

- a) graduation
- b) meeting requirements for post-secondary applications.

The school counsellors are based in the counselling centre and service the following students according to where their surname falls in the alphabet:

Mr. Howlett	(A-He)	khowlett@sd38.bc.ca
Ms. Murray	(Hi-Q)	cmurray@sd38.bc.ca
Ms. Zaine	(R-Z)	kzaine@sd38.bc.ca

Note: Carefully check your course requests before closing your browser. These are the requests that will be submitted as your course requests for next year.

If you see an error, click the **Select** button again and make your corrections.

READY SET GRADUATE

IMPORTANT! When all of your course selections are correct hit the **POST** button on the bottom of the window.

Note: Failure to **POST** your course selections will impact the course registration totals and may cause a course to be dropped due to lack of enrollment. Each time you make a change after posting, you must hit post again for the system to pick up the changes.

Please note that you can go back into this account at any time during the Course Selection timeline (Feb 14 – February 28, 2025) to make changes and re-post your selection (course selection window closes on Friday, February 28 @ 9am.)

Please make sure that your selections in MyEd *match* the courses you selected on your Course Selection Sheet!

If you make any changes in MyEd, make sure you also make those same changes on your paper sheet.

Suggestion: Take a photo of your Program Planning Sheet prior to handing it in

In Conclusion

- Submit your course selection online in your MyEd account (closes February 28, 2025). To see instructions regarding how to make your online course selection through your MyEd account, follow this pathway on the school website: <https://microberts.sd38.bc.ca/students/program-planning/grade-8-11-incoming-9-12-program-planning>.
- Put completed and signed course selection sheets, in the box, outside the counselling area on **Friday, February 28, 2025**. (Your online course selection should reflect **exactly** the same courses you chose on the paper course selection sheet, signed and approved by your parents.)
