CELEBRATING DIVERSITY

Black History Month

During Black History Month, Canadians celebrate the many achievements and contributions of Black Canadians and their communities who, throughout history, have done so much to make Canada a culturally diverse, compassionate, and prosperous country.

UN Interfaith Harmony Week

The World Interfaith Harmony Week was first proposed at the UN General Assembly on September 23, 2010 by H.M. King Abdullah II of Jordan. Just under a month later, on October 20, 2010, it was unanimously adopted by the UN and henceforth the first week of February will be observed as a World Interfaith Harmony Week. The theme for World Interfaith Harmony Week 2025 is "Living Wisdom: Meditations and Practices for a Compassionate Life".

Vasant Panchami

Also rendered Vasant Panchami and Saraswati Puja in honour of the Hindu goddess Saraswati, is a festival that marks the preparation for the arrival of spring. The festival is celebrated in Indian religions in different ways depending on the region.
