## At-Risk Interims – Dec 11:

### What Families Need to Know

- Between these formal reports (Nov 2025 and Feb 2026), an At-Risk Interim Report will be sent only to students who are experiencing challenges or are at risk of not passing their course(s).
- This report will be emailed to parents and students on December 11.
- If you do NOT receive this report, please do not be concerned—only select students will receive it.

## How Families Can Help

We encourage families to review reports together, discuss progress, and focus on areas for improvement. Although Semester 1 ends in late January, there are 6 weeks left for students to catch up and finish strong. Following teacher plans can help ensure success.

## Personal Learning Time (PLT):

**New instructions for PLT – Student must sign up with their teachers up to 1 day prior to PLT to reserve space.** We are using the **ROTATION 1 schedule this week.** *All students are expected to be engaged in some learning activities in classrooms and not socializing or spending time in the halls.* **Attendance will be taken.** For more info, visit our website: [Information>Personal Learning Time \(PLT\).](#)
