Why Course Choices Matter

Your choices start to count

- Grade 9 courses lead to Grade 10 courses.
- Some courses are required for graduation later.

Course changes

- We can make changes at the start of the year
- Changes for educational reasons only

We change courses for:

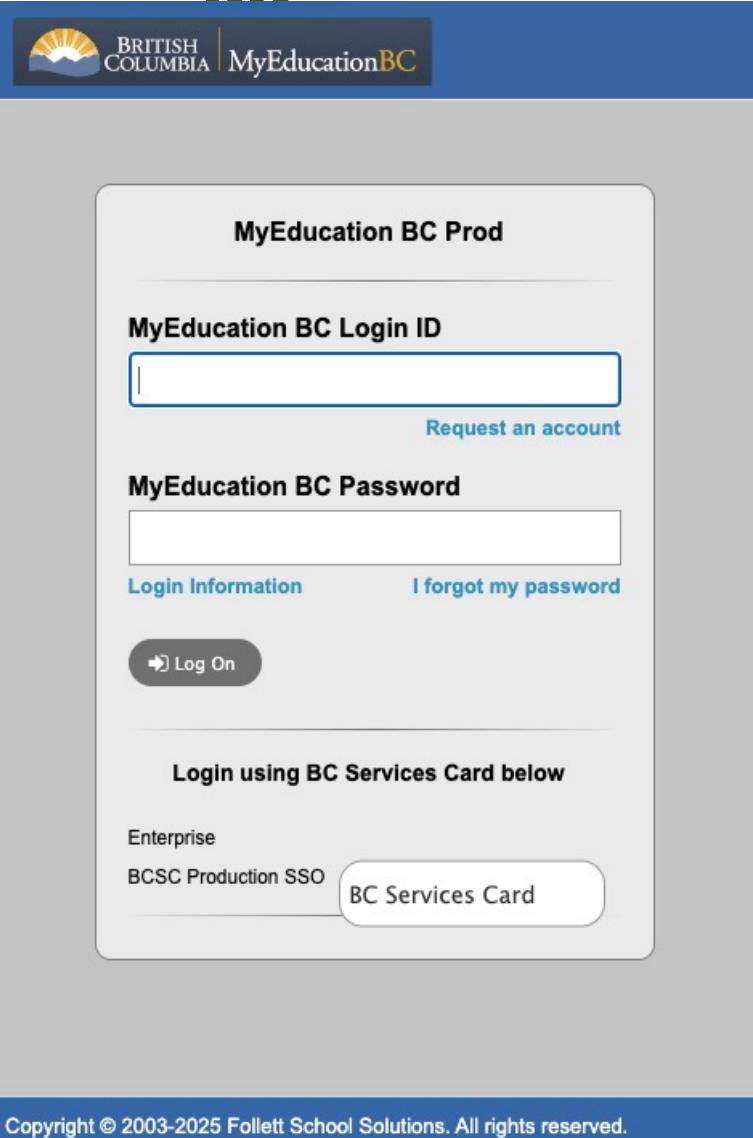

- Summer school completion
- Failed courses
- Courses already taken and passed

Deadlines

- Changes stop after **Week 2** of school
- Courses cannot be dropped after **September** because your seat is funded and paid for.

Choose carefully. Changes later are difficult and sometimes not possible.
If things feel uncomfortable, we'll help you work through that.
