Year-End Procedures:
Please be reminded to return textbooks and library books to the library to be scanned back into our inventory to avoid lost book charges. Also, please check on SchoolCashOnline to review any outstanding fees for this school year. *Students with lost books and outstanding fees will not receive their yearbook until the issues are resolved. This should be resolved immediately.*

Learning Completion Office Hours – June 22 to 24:
Students who require to complete learning will be invited by teachers with times to attend office hours this week. This is critical for students to attend when required to complete their learning.

Grad Dinner Dance & Dry After Grad – June 22:
This last grad event will take place on **Monday, June 22**. Students and families must review the instructions and times from the email message that was sent by the school. Only students who have paid and signed up for the event ahead of time are allowed to attend.

Summer Lending from the Library:
The **McRoberts Library Learning Commons (LLC)** is launching our first ever **Summer Lending** program! Typically, books sit in the LLC over the summer, unused & maybe a little sad. Check out [this wonderful article](#) by our Coordinator for Libraries & Information Services, Kelly Johnson, outlining all the benefits of school library summer lending programs.

We know that students will continue to take great care of the books over the summer, as they have all year. Books will be due back to the LLC during the first week of school, with a **final due date of Friday, September 11**. We look forward to hearing all about your summer reads, Strikers!

S2 Final Learning Update – June 25
An email was sent out to families with an update for our final formal learning update that will published on June 25. At the same time, we will send out core competencies reflections to families as well along with any other attachments. For more information, please [click here](#) to visit our website.
